

Pembroke Lakes Elementary PTA

PELICAN PARTNERSHIP PACKAGES 2025/2026

“Partners in Education”

Pembroke Lakes Elementary enrolls approximately 650 students and has about 80 employees who make up an important part of Broward County's public school system. The mission of Pembroke Lakes Elementary is to create a collaborative and critical-thinking environment, driven by technology and communication, to prepare our students for success in tomorrow's world. An important part of this mission is YOU - THE COMMUNITY. Local establishments are an integral part of the environment where our student population and their families live. Our partners are helping Pembroke Lakes Elementary School reach its educational goals. The deadline for Platinum and Gold Pelican Sponsorship packages is September 27, 2025. All Pelican Partnership requests must be received by January 9, 2026, to be included in the yearbook.

Banners must use school colors (Royal Blue, Grey, and White), have uniform text and font size, and include only the sponsor's name, contact information, pre-existing logo, and the phrase "Thank you to our Partner in Education". Banners should not be construed as advertising. Banner displays will expire on June 30 of the following school year. Banners that have not been claimed by the second week of September will be discarded. All banners must comply with district policies, including Policy 1930. If policies change and banners no longer comply, they will need to be replaced.
